Microsoft Project 2010 Basics

Bravura offers the fastest, easiest and most comprehensive way to gain the valuable computer skills in demand! Our professional classrooms and remote classrooms help you to learn up to 70% more information *as compared to traditional one-day or all-day classes*. Everyone knows it is impossible to learn Project in a single day.

Our exclusive time-proven (*since 1994*) adult learning system eliminates overload and promotes developing practical skills with our incremental approach to learning. Create and manage a flexible class schedule where you choose from convenient sessions running two hours in length; mornings, afternoons, evenings or Saturdays. No-Wait Start Dates means you can begin immediately. We recommend no more than four hours in a given day. All sessions are professional led by top notch industry experts who are fully certified. You'll experience a one-of-kind professional and engaging learning environment that is flexible, valuable, relevant and personal to your exact needs. It's time to get stop settling for one-day, all-day classes. *Join the 40,000 students who have made Bravura their technology training partner.*
